JOIN JUBILEE DEBT CAMPAIGN.

Jubilee Debt Campaign is part of a global movement demanding freedom from the slavery of debt. **We take creative action** for debt justice across the UK.

As a result of our campaigns **\$130 billion of impoverished country debt has been dropped**. New regulation has been passed to protect these countries from ruthless 'vulture funds'.

Since the financial crisis we have seen **the power of debt to destroy people's lives** around the world. Now more than ever we need a financial system that puts people first. **We need a global debt jubilee.**
